CAMPAIGN BACKGROUND

The Pension Attention campaign is a coordinated annual campaign led by the ABI and Pensions UK to boost pensions awareness and engagement.

Made possible thanks to the generous support of our sponsors, our aim is to motivate UK adults to take small steps towards managing their pension.

This year, along with celebrity support, we're calling on the industry to help us achieve our greatest impact to date. We have compiled this toolkit to make it as straight-forward as possible to get involved.

Pension Attention will run from 5 September until 27 October – all content in this toolkit is **strictly embargoed until 5 September 2025**.

Our sponsors:

OUR OBJECTIVE

To encourage UK adults to visit **pensionattention.co.uk** and actively engage with their pension in a number of ways – from finding out about lost pensions to working out what you might need when you retire.

OUR AUDIENCE

Adults aged 35-55.

CAMPAIGN LAYDOWN

Pension Attention will run for 7 weeks across digital and social channels.

It will be endorsed by a celebrity ambassador and supported by influencers.

From **5 September, and not before**, please use any of the assets and information in this toolkit.

All content and materials supplied, with the exception of the Pay Your Pension Some Attention core brand logo and variations, are **strictly embargoed until the full date of launch on 5 September 2025**.

CREATIVE APPROACH

To encourage the nation to 'Strengthen Your Pension' and plan for retirement with three simple steps.

IT'S TIME TO **PAY YOUR PENSION SOME ATTENTION**

Strengthen Your Pension and plan your retirement with these **three simple steps**:

1 **STRETCH
STRETCH
STRETCH**

Stretch your mind back to past employers or pensions.

Do you know where all your pension savings are?

You may well have more than one pension from your working life. There are billions of pounds out there in lost pension money... could some of that be yours, and go towards your pension pot?

CTA: If you have your own web pages with content and information, you may wish to include a URL/link/ QR code and/ or phone number.

Alternatively, you can direct people to the Government's lost pension page: gov.uk/find-pension-contact-details

2 **CHECK
CHECK
CHECK**

Check your form by logging into your pension accounts to see how much you've got.

Do you know how much you currently have in your pension?

Find out your total current savings in any private pensions and then find out your likely retirement income.

CTA: You may wish to direct people to your online login or registration page with a URL. Or you may wish to include details on where to find your pension calculator.

Alternatively, you can direct people to this resource: moneyhelper.org.uk/en/pensions-and-retirement/pensions-basics/pension-calculator

3 **WORKOUT
WORKOUT
WORKOUT**

Work out how much you might need for your future.

What are your dreams for the future?

Do you know what income you might need in retirement? By taking some simple steps today, you can face your future with confidence.

CTA: You'll likely want to direct people to your/their pension planning tools or resources.
